The mover is a dedicated professional, but can't guarantee a move without incident that could result in loss of, or damage to your property. We encourage you to consider the benefits of insuring your personal belongings.

*This insurance does not insure the moving company or guarantee your contracted services with the moving company. Service issues such as delayed pick up or delivery must be handled between you and the mover. **We cannot assist you with service issues.** This program insures your household goods, personal effects and private passenger autos, against damage / loss while in the care, custody and control of the moving company. The basis of coverage is "All Risks" - *except as excluded* – see *Terms and Conditions of Coverage*.*

Note: If the mover is not completing an itemized inventory of your goods, you CANNOT insure under this insurance program. An origin and destination condition report MUST be provided for autos, and must be signed at origin and destination by the auto owner and movers representative before and after the move, signifying agreement to the reported condition of the auto at both locations. An itemized inventory MUST be provided for household goods and personal effects, to record the number of items and condition of the items to be insured. In the event of damage, the Insurer pays repair costs not exceeding values. When items are lost or damaged beyond repair, the Insurer will pay Replacement Cost for an item of like kind and quality. Payment will be made for covered losses only – see *Exclusions and Conditions of Coverage*. **Note the 100% Co-Insurance Clause, requiring you to insure the value of ALL items shipped.** Failure to properly insure your shipment will result in a co-insurance penalty that reduces the amount payable in the event of loss or damage. Items extraordinary in value / nature, should be declared separately. **The insurance will only pay for Packed By Owner goods when damage and/or loss is a direct result of fire, overturn, collision or theft of the transporting conveyance.**

Your mover may assist you with securing coverage through Executive Insurance Services, but the mover is not an insurance agent of Executive Insurance Services. The mover is not qualified to interpret the coverage, and is not authorized to change or modify any condition of coverage. They will provide you with an Insurance Request Form with Terms and Conditions of the coverage attached. If you consider insuring your property with us, it is *essential* that you read and understand the information we've provided. If you have moving / service problems, please call your mover. If you have questions about the insurance, call Executive Insurance Services at 800-801-6421. You could also visit our website at www.execinsurance.net for complete details.
